

Chants for Earth Awareness

UNTITLED ("PLEIADES CHANT")

Words by Anonymous/Unknown, Tune by Bone Blossom

There's a part of the Sun in an apple;
There's a part of the Moon in a rose;
A part of the flaming Pleiades
in every leaf that grows.

CALLING ON THE SPIRITS

©1982 Charlie Murphy

Calling on the Spirits of the future
Calling on the lifetimes yet to come
Send courage to the present generation
Help us find the strength to carry on.

Calling on the Spirits of the Ancients
Calling on the Wise Ones of the past
Illuminate the vision of the people
Help us keep our feet upon the path.

Calling on the Guardians of the planet
Calling on all people now alive
With vision of the past and memory of the future
Claiming our power to survive.

We are one, with the soul, of the Earth,
Mother Earth.

(This simple chant, if sung repeatedly, can bring us to a deep awareness of ourselves and the Earth as one and sacred. Written for EarthSpirit Community's Rites of Spring 1980.)

MY WORDS ARE TIED IN ONE. . .

Yokut (Northern California) Chant, Music by Nina Wise

With the great rocks, with the great trees.
In one with my body and my heart.
Do you all help me, with supernatural power,
And you, Day, and you, Night,
All of you see me one with this world.
